# PARTNERS IN CRUELTY

Friend influenced  
mum to harm her  
own daughter, 8

MANSLAUGHTER: Polly Chowdhury

GUILTY: Kiki Muddar

VICTIM: Ayesha Ali

A MOTHER and her friend have been found guilty of the manslaughter of the mum's eight-year-old daughter.

Polly Chowdhury, 35, and Kiki Muddar, 43, were convicted on Wednesday following a trial at the Old Bailey.

The pair, both of Bedwell Court, Broomfield Road, Chadwell Heath, were found guilty of killing Ayesha Ali at the home they all shared on the night of August 28, 2013.

The court heard Ayesha's mother, Chowdhury, and Muddar, subjected the girl to sustained physical and mental abuse in the months leading up to her death.

The court was told Muddar befriended Chowdhury in 2007 in The Coppins, Chadwell Heath.

Muddar invented two fictitious characters she used to manipulate the relationship Chowdhury and she had with the eight-year-old girl.

Muddar called the two characters she invented Jimmy Chowdhury and Skyman.

The two fictitious characters were portrayed as guiding spirits who chatted to Chowdhury using text message only.

Throughout this period Muddar pretended a boyfriend had died during the London riots. She also pretended that she had cancer.

As the two women's relationship developed, the marriage between Chowdhury and her husband deteriorated.

Through the fictitious character Jimmy Chowdhury, Muddar created an online relationship with Chowdhury.

Chowdhury was so taken with the character that she wanted to marry him.

Muddar convinced Chowdhury that Ayesha would affect her and Jimmy Chowdhury's health.

The second character (Skyman) sent messages (by Muddar) to Chowdhury insisting she should punish her daughter for bad behaviour.

The court heard Ayesha was

forced to scrub the house, miss meals, take cold baths and spend hours shut in her room as punishment for perceived bad behaviour.

The court heard it wasn't clear when the abuse of Ayesha started.

In August 27, 2013, Muddar returned to the house with a new shower fitting.

The following day Muddar returned to the address at 11.30pm and called 999 because Chowdhury had cut her wrists.

Paramedics found Ayesha's lifeless body on her bedroom floor.

She had been dead for some time following a head injury.

A post-mortem found 56 separate injuries on Ayesha including a bite

mark on her shoulder and fresh bruising on her head, body and limbs.

The court heard when paramedics spoke to Muddar at the scene, she showed no concern for Ayesha.

She told the paramedics that Ayesha was a naughty child and her mum thought she was possessed by the devil.

Chowdhury was taken to hospital for treatment.

Police found numerous letters and notes inside the property.

The court heard one letter written by Chowdhury claimed she had taken Ayesha's life after her daughter had tried to drown herself in the bath.

Muddar was initially treated as a significant witness.

But following analysis of 140,000 lines of text from messaging apps and emails, 40,000 messages from a laptop, 1,450 voice recordings on Muddar's phone and 17,000 pages of Facebook messages she was arrested in September and charged in October with murder, but was found guilty of manslaughter.

Chowdhury was arrested and charged in August 2013 with Ayesha's murder.

Detective Inspector Donna Convery, from the Met Police homicide and major crime command, said: "In all my years as a police officer I have never come across a case of this nature.

"It took us months to unpick and investigate the web of lies that Kiki Muddar had constructed.

"Ayesha was a bright and intelligent little girl who was well liked by teachers and classmates alike.

"She was subjected to horrific levels of mental then physical abuse.

"Muddar went to extremely sophisticated and complex lengths to construct a number of fictitious characters, she used to influence Polly Chowdhury to harm her child.

"The motivation behind this campaign of abuse was remains unclear. What is painfully clear, however, is that Ayesha, an eight-year-old girl, has had her life taken away in horribly brutal circumstances."

## Man jailed for his part in £161,000 VAT fraud plot

**SENTENCED:**  
Gang member  
Joseph Benson

A MAN has been jailed for his role in a gang involved in a VAT fraud.

Joseph Benson, 54, of Broadstroom, Loughton, tried to reclaim VAT payments he was not entitled to for BJ Electronics Ltd, a company where he was a director.

Despite his involvement in the gang, which attempted to steal £161,000, he did not obtain any repayments. The other gang members were Patrick Dugbo, 49 and his brother Solomon Dugbo, 43, and self-employed book-keeper Elizabeth Harwood, 51.

Dugbo, of Barrie Drive, Sinfen, Derbyshire, was the sole proprietor of Westlake Recycling Services, while his brother Solomon, of High Ash Avenue, Leeds, was the sole proprietor of Leeds Reuse Centre. They

were all involved with creating false invoices for VAT repayment claims for the purchase of electrical goods.

Benson pleaded guilty to conspiring to cheat the public revenue and VAT fraud at Leeds Crown Court in October 2014 and was sentenced to 10-and-a-half months in prison.

Patrick Dugbo admitted the same charges on February 5 at the same court and was sentenced to 32 months imprisonment on Friday.

Both Solomon Dugbo and Harwood were found guilty after a trial on the same charges as the other gang members in October 2014 at Leeds Crown Court.

He was given a 12-month jail sentence while she given 10 months in prison on November 21.

## YA reporter wins journalist of the year award

### From front page

He also won a feature-writing award from the national Guardian newspaper in 2009.

Last week's award was for his investigative and campaigning journalism.

The award-winning work included his campaign for greater road safety on Dry Street, Basildon, following the death of 23-year-old Justin Bowman in 2013.

He uncovered council documents showing drivers were speeding on the 40mph road at 80mph after Essex County Council claimed there was no

need for calming measures.

The campaign closed off the pathway Mr Bowman emerged from on the day he died.

Charles won his individual award for two further pieces of investigative journalism.

He revealed that the county council had upheld sex abuse complaints against teachers and banned them from ever working with children for the council again, but had never reported them to police.

The second investigation revealed how the Government Jobcentre had

unwittingly signed up an escaped prisoner, fleeing a life sentence for a brutal attack with an iron bar.

Charles said: "I am very lucky to have been trained by YA news editor Steve Neale, one of the best reporters in Britain, and to have Mick as my editor."

Mr Ferris said: "This was thoroughly deserved.

"Charlie is an exceptional journalist and I'm delighted for him."

of plastic bottles that are used. General manager Alasdair Currie said: "The Mall Walthamstow is committed to a proactive approach to reducing its impact on the environment.

"By helping to educate our local community on simple

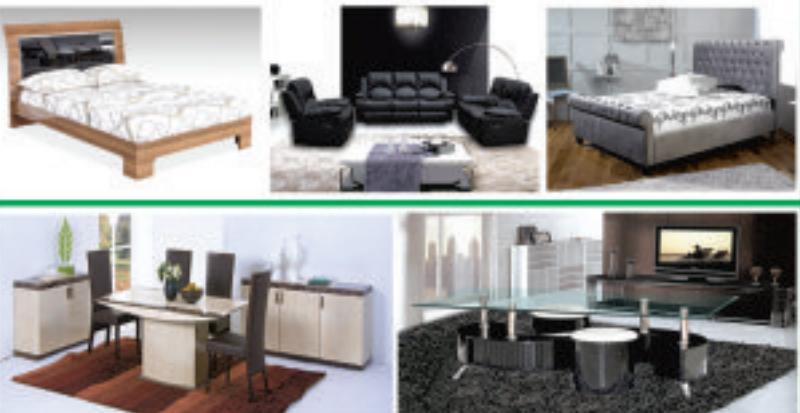

steps that everyone can take to be more environmentally aware, we hope we can work together to make a big difference."

PRAISE: Staff from the Redbridge Youth Offending and Crime Prevention team with Cllr Elaine Norman

Photo by Mark Cleveland

# Team praised for steering young away from crime

A TEAM that helps to prevent young people reoffending has been praised by Redbridge Council after a strong inspection.

The Redbridge Youth Offending and Targeted Prevention Team were visited by Councillor Elaine Norman on Thursday, as the team had performed well during an inspection in February by HM Inspectorate of Probation.

The service, which works with young people who have offended or are at risk of offending or com-

mitting anti-social behaviour, was the subject of a short, quality screen-

ing inspection. In a report produced by the inspectors, the service was described as having "maintained, and indeed improved on, the high standard of work we found during our previous inspection of 2011."

Cllr Norman, cabinet member for children and young people, said: "I'm very proud of the result of this inspection which serves to tell us what a thorough and important job our youth offending team are doing in helping steer young people away from crime."

"This work doesn't just help keep the borough safer but it also leads to brighter, positive futures for people who may have otherwise found themselves involved in a life of illegal activity."

## Wanted for extradition

### From front page

Employees were threatened with a replica gun and in three of the cases the suspect managed to get away with some money.

One incident saw a victim refuse to hand any money over, despite the fact that she had been punched in the face by the suspect.

Kuliga has known links to Barking and Dagenham.

Suspected rapist Roland Ostvalds is also believed to be in east London.

He is wanted in his home country Latvia as he is believed to have been involved with the rape of a woman in October 2010.

Ostvalds, 24, has links to a number of London boroughs including Redbridge.

Romanian Octavian Medeleanu, 52, is also wanted for people trafficking offences between July 2006 and July 2007. He is thought to have been involved with threatening women with violence and then trafficking them into the UK, where they were sexually exploited and either forced or coerced into prostitution.

Police wish to speak to him in connection

with the investigation, with Medeleanu having links to Barking and Dagenham.

Anyone with any information about any of these men can call Crimestoppers on 0800 555 111.

Crimestoppers does operate a "language line" which enables people to give information even if English is not their first language.

A request for the line and notification of the language required will provide the opportunity to be put through to an interpreter.

● Polish man Janusz Kedziora, 28, was found at an address on Staffa Road, Lea Bridge on Wednesday.

He was wanted by police and is in custody.

He is due to appear at Westminster Magistrates' Court for an extradition hearing on a date to be confirmed.

A CELEBRITY TV doctor has visited a school to promote the benefits that children can get from drinking milk.

Dr Hilary Jones, well known for his role as health editor on ITV show Good Morning Britain, spent time at Manor Longbridge School, Longbridge Road, Dagenham, to encourage children to drink more milk as part of an initiative led by Cool Milk, a company that he is acting as an advisor for.

Dr Hilary said: "It was a joy to meet the children at Manor Longbridge School and I had a fantastic time meeting staff and parents.

"It was wonderful to talk on a subject about which I am passionate.

"A healthy, balanced diet is key to good health in later life so providing the right building blocks at this early age is essential.

"Milk is the nearest thing you can get to a whole food in a single cup. It is packed with important vitamins A, C and B as well as calcium, iron, magnesium and potassium."

Dr Jones spoke to staff and children whilst visiting the school and also handed out milk tokens to pupils.

His visit was won by the school as part of a competition run by Cool Milk.

Manor Longbridge is one of 32 schools in Barking and Dagenham to have signed up to receive milk from the company.

Headteacher Thelma McGorrigan said: "What a fantastic and added bonus for the whole school.

"When we signed up to Cool Milk to administer our school milk programme none of us thought we had a chance of winning a visit from Dr Hilary.

"He was absolutely charming and the children hung on his every word. I think we'll have even more milk drinkers to manage now."

Councillor Evelyn Carpenter, cabinet member for education and schools, said: "We have been encouraging our children and young people to make healthy lifestyle choices and this is another way we can help children to develop healthy eating habits.

"Through the good work in our schools' catering services, we are making sure children in Barking and Dagenham get the nutrition they need to stay healthy and well-educated."

## Canvey Island

**£575,000**

There's only one word to describe this property and that is "luxury". With over 30 years in this industry there is no doubt this is the best house I have ever seen. The fine detail, bespoke kitchen, bathrooms and en-suites are exceptional and cannot be appreciated without an internal viewing. The property offers spacious family living accommodation with no expense spared.

As soon as you open the front door you know you are walking into a luxury family home that oozes warmth, comfort & quality. The floors throughout are either solid oak or ceramic tiled with underfloor heating. There are also solid oak doors with heavy chrome furnishings, a beautiful hand carved oak turned stairwell leading to a spacious gallery landing with oak doors to the communicating rooms.

The family kitchen diner is again hand made with quality units incorporating integrated Miele appliances including, oven with steamer, warmer drawer, 5 ring sensor hob with extractor above, microwave with grill & 2 Fisher & Paykel pull out dishwashers.

The focal point of the kitchen is the centre 2 tier island made of granite with a smoked crackle circular breakfast bar with stools at one end. Incorporated in the granite is a 1½ bowl sink with mixer taps and a separate instant boiled water tap system.

There is a utility room with matching kitchen units & work tops and a door leading to a ground floor 2 piece cloakroom. In the dining area there are bi-folding doors that open the full width of the room leading directly onto the South backing garden. There is a glass apex roof with electronic sensors that opens the roof when a certain temperature is reached and then closes again with a rain sensor.

The lounge at the rear has been tastefully decorated with inset ceiling lights and doors again leading to the rear garden. To complete the ground floor is a study, a spacious family room to the front which is currently being used as a games room but could easily be made into a separate dining room if required. Off the handmade galleried landing are 4 large double bedrooms some with built in wardrobes, dressing rooms and en-suites. The bathroom and en-suites again have been bespoke made to an

extremely high standard with lots of hidden extras. In the photos you will see that in the main bathroom the bath is filled by water jets which come directly from the ceiling above.

The property itself stands on much larger than average grounds with a South backing garden being approx 70' deep and approx 70' wide. The property lends itself to someone who works from home who needs to park several vehicles, as there is double gates at side ideal for vans, trailers or even for leisure purposes ie: caravan or boat.

There is also a full double integral garage with twin doors, power and lighting and internal door to the main hallway.

The front and rear gardens are well stocked with flower beds, bushes and shrubs surrounded by mature trees. There are imprinted coloured concreted drives, paths and patio areas.

And finally ...to protect this beautiful property it comes complete with an alarm system and a multi camera CCTV system with night vision.

30% more forests

No wonder you  paper

Did you know that forests in Europe, which provide wood for making into paper and many other widely used materials, are 30% larger than in 1950? In fact they're increasing by 1.5 million football pitches every year.†

Paper is a powerful communication material and it's made from natural and renewable wood. Which is all great news if you need the impact that only printed documents can deliver.

## O'S CAVE IN TO TABLE TOPPERS

### Leyton Orient

Leyton Orient 1 Bristol City 3

By Rowland Lyons at the

Matchroom Stadium

ORIENT blew their chance of climbing out of the League One drop zone after pressing the self-destruct button against the table-toppers on Tuesday night.

The only positive after an 11th home league defeat was that all their closest rivals lost.

Despite 11-goal Chris Dagnall giving the strugglers a shock early lead, the O's remain in relegation danger after sloppy defending allowed City a way back with Aaron Wilbraham's strike sandwiched by Luke Freeman's double.

After last Saturday's superb win at mid-table Walsall, Dagnall continued with his fine goalscoring form and netted with a smart fourth minute strike from David Mooney's pass.

But Orient were back to their old, bad habits eight minutes later, when they sloppily allowed Kieron Agard time to cross and Freeman bundled home despite Baudry's best efforts on the line.

The east Londoners then had a great opportunity to restore their lead only three minutes later, but Jobi McAnuff wasted his chance and shot wide.

That miss proved costly as City edged ahead when the unmarked veteran Wilbraham rose highest and nodded home Freeman's inswinging set-piece, with the latter having arguably gone down too easily from an innocuous Baudry challenge.

However, the pendulum nearly swung the O's way five minutes later when Dagnall's driven, point-blank, bouncing effort was tipped over by a grateful Frank Fielding from Josh Wright's lofted free-kick.

With both defences looking shaky, chances came and went with Joe Bryan heading wide for City, when well-placed, before Hedges blazed over and O's skipper Romain Vincelot headed Andrea Dossena's flag-kick over from six yards with the goal at his mercy on the stroke of half-time.

It took 12 second half minutes before Orient troubled Fielding, with Dossena bringing the best out of the former Derby gloveman, with a rasping 30-yard snapshot.

But once again City netted and former Arsenal junior Freeman bagged his second with a sliding effort after the O's failed to clear and allowed Bryan too much time and space to cross.

Boss Fabio Liverani then introduced the popular Dean Cox and forgotten man Jay Simpson.

But City held out despite third sub Gianvito Plasmati and Vincelot going close to leave a surprisingly upbeat manager admitting: "We played a very good team – top of the table – and they had three chances and scored three goals.

"We were in the game until the end and it was a very good performance. We had a good start and I think we played good football throughout the game.

"Even though we lost the game, I feel as if we are on the right track.

"I believe in my team and I must also say we had six clear chances to score. We have made a lot of progress and we all know each other a lot better."

Orient travel to managerless Peterborough on Saturday, and Liverani concluded: "I am not worried by the loss tonight and think we can win on Saturday.

"We can win against anyone in this league – home or away. But, I am not superstitious. If we put in good performances, we will win games before the end of the season."

Robins' boss Steve Cotterill added: "Tuesday nights away from home are always tough and tonight was no different. It was a very pleasing win as they [Orient] were very direct and tried to put a lot of balls in our box. I thought that

watering the pitch at one end at half-time was a nonsense – that can't be allowed."

Vincelot, added: "We're disappointed but not down in the head. I think you can count that the top-of-the-league team had three chances and scored three goals. They defended their line very well.

"In the last five games we have played very well, getting three wins and putting in consistent performances. We are in a very positive mood. If we can keep winning three out of five games, it'll make us safe.

"We have to stick together – players and fans. But, I think you can see that now. We believe – of course – we can stay up and the last five games show that we are strong and can beat anyone, home or away. We are very confident and can't wait for the next game – we don't care who we play against."

"If we play at the top of our game, we don't fear anyone."

**Leyton Orient:** Alex Cisak, Luke O'Neill, Mathieu Baudry, Shane Lowry, Andrea Dossena, Jobi McAnuff (Gianvito Plasmati 80), Romain Vincelot (captain), Josh Wright, Ryan Hedges (Dean Cox 67), David Mooney (Jay Simpson 71), Chris Dagnall.

**Bristol City:** Frank Fielding, Luke Ayling, Aden Flint, Derrick Williams, Mark Little, Korey Smith, Marlon Pack, Luke Freeman (George Seville 87), Joe Bryan, Aaron Wilbraham (captain) (Jay Emmanuel-Thomas 89), Kieran Agard.

### Non-league round-up

## Barking blast to top of table

By Brian Jeeves

BARKING produced a stunning attacking performance against Southend Manor at Southchurch Park Arena to claim top spot in the Essex Senior League.

Billy Rix gave the east Londoners the lead before Joe Killingsback doubled the advantage. Manor reduced the deficit through Kalou, but former Clapton striker Tom Jeffes grabbed a double to see Barking home 4-1. The victory moved the Mayesbrook Park outfit three points clear of Haringey Borough, although the latter have games in hand.

There was a big ESL win for Basildon United, who thrashed hapless Newham by 4-0 at Gardiners Close. Goals from Craig Gillam, Callum Leahy and a brace from Ben Gartain compounded Newham's wretched afternoon. There was an entertaining affair at Cricklefield as Ilford and Eton Manor shared the spoils in a 2-2 draw.

Elsewhere in the ESL, goals from Luke Hornsby (2) and Reece Brandon helped Hullbridge Sports to victory at FC Romania by the odd goal in five and it was all square 1-1 between Takeley and Stansted.

In the Vanarama Conference Premier Division, Braintree Town went down by a single goal to high-flying Grimsby Town at Blundell Park. Mariners' skipper Craig Disley headed the only goal just after the break. The Irons' miserable day was completed when Chez Isaac was sent off.

There wasn't too much to smile about for Chelmsford City, who crashed 2-1 to league leaders Bromley at the Melbourne Stadium. Moses Ademola fired the visitors ahead, but Michael Toner looked to have rescued a point for the Clarets, levelling the score with seven minutes to go. But Ademola broke City hearts with a late winner. City had seen Harry Hickford and Mark Hughes dismissed.

It was better news for Concord Rangers who put in a resolute rearguard action to thwart Basingstoke Town at the Soccer AM Stadium.

The Beach Boys grabbed a share of the spoils in a goalless draw, the Canvey outfit played the second half with 10 men following Joe Gardiner's red card just before the break.

There was plenty of action for the region's Ryman Premier clubs, with AFC Hornchurch leading the way. George Purcell grabbed two goals, with Kieran Bishop and Nnamdi Nwachukwu also on target as the Urchins won 4-1 at Bury Town.

John Easterford scored Canvey Island's goal in a 1-1 draw with Lewes and there was a 1-0 win for Grays Athletic at the Metropolitan Police.

A huge crowd of 2,035 saw Billericay Town crash 3-0 at Maidstone United, and former Canvey striker Kevie Ibe scored both goals as Hendon beat Witham Town. East Thurrock United also went home empty-handed after a 2-1 defeat at Leatherhead.

In the Ryman League One North Great Wakering Rovers were undone by early goals from Shamido Pedulu and Billy Hunt at Heybridge Swifts.

Leon Smith replied for the villagers, but the score remained 2-1. Bottom of the table Burnham Ramblers went down 3-1 to Thurrock at Leslie Field, while Redbridge crashed 3-0 at home to a useful Needham Market side.

Aveley and Maldon & Tiptree drew 1-1, and it was the same outcome at Tilbury where Thomas Wood scored for the Dockers against AFC Sudbury.

But Brentwood Town grabbed maximum points on their travels, winning 2-0 at Brightlingsea Regent.

In the ProKit UK Essex Olympian League, Newbury Forest won their Premier Division encounter at Southminster St Leonards by six goals to nil. And there were 5-0 wins in Division One for Leigh Ramblers, against Hutton, and Harold Hill, at Westhamians.

There was a cracker in Division Two, where Benfleet ran out 6-3 winners over Roydon, while in Division three, East Londoners triumphed 4-0 at St Albans United.

## Girls come so close in youth games indoor final

### Cricket

REDBRIDGE female cricketers took home silver and had a day to remember at the Balfour Beatty London Youth Games Indoor Cricket Finals at Lord's on Sunday.

It was a brilliant result for the borough team, aged year eight and under, who had come through their qualifying group unbeaten at Harrow in February.

Redbridge, who have missed out on the finals for the past two years, produced some fine bowling to restrict Richmond to 61 in their quarter-final before chasing down the total with time to spare.

In their semi-final they completely outplayed 2013 champions Hammersmith and Fulham, bowling them out for 25 and they were able to chase down the runs in last than three overs.

However, in the final they came up against the form side in the competition, Bromley, and they were unable to get going in their batting innings being restricted to 87.

Redbridge bowled well as they looked to defend their total but Bromley were just too strong and they ran out convincing winners.

Redbridge were also in action in the male competition where, as defending champions, they were expected to mount a challenge for the title again. In their quarter-final they had to get past a well-drilled Camden outfit that fell 14 runs short of Redbridge's 95.

But they came unstuck in their semi-final when faced by a determined Tower Hamlets side. The defending champions had to

defend 107 but errors crept into their game and Tower Hamlets were able to sneak the win in the last over of the match leaving Redbridge in bronze medal position.

Indoor cricket is one of 31 sports in the 2015 Balfour Beatty London Youth Games.
